Back Home™

TimberTru™ Flooring

Stunning Beauty with Enduring Durability

Always welcoming, this collection of trend-forward designs and colors replicates the natural beauty found in authentic hardwood; but is hard-working enough to handle the demands of an active home and even light commercial environments.

• Waterproof* – top-down moisture protection
• A range of trend-forward designs and colors
• Highly durable 10 mm planks feature a 2 mm attached pad for superior sound control — ideal for light commercial environments
• Quick and easy locking system installs in any room on any level, including basements and bathrooms

*See warranty for details.
